| About ROCK

Shenzhen Rock Space Technology Co., Ltd. is an innovation-driven enterprise specializing in design, R&D, and sales. With our own brand ROCK, we have expanded into IP derivative business since 2019, launching popular series such as Doraemon and Crayon Shinchan, becoming one of the most influential licensees for these IPs. In 2025, we will continue to launch a new IP derivative series featuring LULU THE PIGGY.

Our sales channels span over 50 countries and regions worldwide. Online, we have channels on platforms such as Tmall, JD.com, Douyin, Poizon, Vipshop, Bilibili, and more. Offline, we have established business relationships with over 200 companies, including various mobile phone manufacturers, iFlytek, NetEase, POP MART, X11, KKV, and 52toys.

We are committed to providing innovative and fun digital lifestyle products. By reimagining and innovating, we break traditional category boundaries and bring joy to the digital life experience (ROCK TO FUN).
